

**ROBO
DEVELOPMENT**
ACADEMIC
OUTREACH PROGRAM

**THREE WAYS
TO PARTICIPATE**

The RoboDevelopment Academic Outreach Program encourages students, educators and researchers to participate in RoboDevelopment through:

To register yourself or your group for a discounted Conference Pass or FREE Expo Pass, or if you are a university wishing to be considered for this year's program, please contact Amy Reddington at 508-663-1500 x247 or email RoboServices@ehpub.com.

Academic Outreach registrants will be required to show a valid student/researcher/instructor ID when picking up their show badges.

1

DISCOUNTED CONFERENCE PASSES

Students, researchers and educators who wish to attend the keynote presentations, conference sessions and special events will receive a substantial discount on their Conference Pass.

2

FREE EXPO PASSES

Students, researchers and educators are provided with passes to the RoboDevelopment expo floor at no cost (a \$45 value).

3

COMPLIMENTARY EXHIBIT SPACE

Select colleges and universities are provided with complimentary space on the expo floor so that they may demonstrate their robots and robotics technology at the show. Participants also receive significant marketing exposure before and during the event.
